

To Whom It May Concern:

I am a Continental Airlines frequent flyer and member of its Presidents Club. I support Continental's Petition to the FCC. I want Continental and other airlines to be able to continue to provide its own wireless service to me and other members at Boston Logan and other airports, which is a free service. Unless the airport is prepared to offer a free service throughout the property, I rely on Continental's seamless service wherever I fly.

Airports are already unfriendly, unproductive environments outside of these clubs. Please don't take away the productivity tools we have in free internet access.

Thank you for ensuring the right of the public to use the wireless service of its choice.
